Dear Mr McCauley

## **NIEA Enforcement Policy – Phase 2 Consultation**

Council welcomes the opportunity to respond to the NIEA Enforcement Policy – Phase 2 Consultation. Having read the NIEA enforcement policy we have only one comment to make.

Given that enforcement relating to Historic Buildings is a function of Planning Service this point should be mentioned more overtly in the document.

In general we feel that the policy outlines in a clear and succinct way the principles of enforcement and strikes the correct tone. The policy is easy to read, understand and outlines the penalties of non-compliance.

Yours sincerely

**FRANK ROBINSON  
CHAIRMAN**
